ABOUT DQE COMMUNICATIONS

A partner for your business with an unparalleled level of network service & support

Your Partner...Your Solution

Established in 1997, DQE Communications, LLC (DQE) is a subsidiary of Pittsburgh-based Duquesne Light Holdings, and presently operates throughout western Pennsylvania and northern West Virginia.

Businesses today need the fastest data speeds possible, the highest level of service reliability, and the most dependable support. Your data network is a critical element of your operation. DQE Communications offers flexible, customized solutions for organizations of every size, providing unrestricted bandwidth and scalability.

For data networking at the highest committed speeds, including built-in redundancy for exceptional reliability and experienced support based right in your area, talk to DQE Communications.
