

ABOUT DQE COMMUNICATIONS

A Pittsburgh-based partner for your business, offering a level of network service and support that's unequaled by any other area provider

Your Neighbors...Your Partners

Established in 1997, DQE Communications, LLC (DQE) is a subsidiary of Pittsburgh-based Duquesne Light Holdings, and presently operates throughout southwestern Pennsylvania, which includes the following counties: Allegheny, Armstrong, Beaver, Blair, Butler, Greene, Indiana, Mercer, Washington and Westmoreland. Pittsburgh is our home and DQE Communications is dedicated to the vitality of the Pittsburgh region and our fellow businesses here. This means that you, our customers, enjoy a level of support unequaled by any other provider in the area.

Businesses today need the fastest data speeds possible, the highest level of service reliability, and the most dependable support. Your data network is a critical element of your operation.

For data networking at the highest committed speeds, including built-in redundancy for exceptional reliability and experienced support based right in your area, talk to DQE Communications — your partner, your solution.
